

COMPANY

LUX Innovative Supply is a dynamic company specialized in importing, manufacturing and distributing retail market products. Based in North America, we have succeeded in building strong relationships with many major chain stores by keeping true to our core values of consistent quality, reliability and after-sale services. We are always working hard at growing our clientele and our product catalog at the same time.

The focus of the company is sourcing out exclusives and trendy products to our customers in order to keep their shelves up to date.

ALUPROTEX

Ultimate long-lasting protection. Suitable for almost all hard surfaces such as: Aluminium, metals, plastics, gelcoats, lacquered or mineral surfaces and many others...

With more than 10 years in the industry, ALUPROTEX is a leader in the industry of protective coating. We are proud to make your fleet shining through the years.
